

Voting With Prayer – Tuesday Election Day

“Seek the peace of the city where I cause you to roam and pray for her sake to G-d, for in her peace we will have peace.” (Jer. 29:7)

Holy One of Blessing, with my vote today, may you bless me with wisdom and courage as I stand before you and choose the leaders that I believe will best serve this country; and who will protect and aid our homeland, Israel. May you bless each and every voter with wisdom and an open heart so they also choose the right leaders.

As we all exercise our right to partake in this sacred act of community, we do so with good intention, with a true belief that our new leadership team will work hard towards repairing our world.

Oh G-d, whomever becomes our new leaders, guide them, strengthen them and protect them so they can bring justice and peace to all the inhabitants of the world. The task for any leadership team is a complex one, I ask you to be with them each day granting them wisdom for good and blessing, not only for me, but for all G-d's people. Amen.
